L'arrivée des Juifs chassés d'Espagne au 16<sup>e</sup> siècle devait apporter une dimension nouvelle au judaïsme marocain.

**Shoken, Moshe [WorldCat Identities]**

Israeli Judaism is a significant work, and will be of interest to theologians, philosophers, sociologists, anthropologists, and political theorists. From such documents as private correspondence, archival photographs, and the legal commentaries of rabbis who served in the Jewish community courts, Deshen draws out details of daily life: disputes between spouses, businessmen, craftsmen, and inheritors; the ramifications of marriage contracts; and claims involving community taxes and extortions by Muslim potentates. Individual chapters deal with relations between Muslims and Jews, the material conditions of Jewish life, and the nature of politics within the mellah.

**Deshen, Shlomo A. [WorldCat Identities]**

It appears at a moment in which Israelis not only must confront their Arab neighbors, but must deal with one another as Jews possessing radically different views on the present and future of the Jewish tradition.
