Parsis

. Astronomy and astrology were considered as sciences in ancient Iran and studied and practiced under royal patronage in Sasanian times. This is a difficult decision because Zoroastrianism does not evangelize, as it would violate one of the founding precepts, tolerance and acceptance of other beliefs; a precept that made the early Persian king, Cyrus the Great, exceedingly popular when it became clear that to live under his rule meant to be respected for and left alone with one's own beliefs.

Remembering Dr. Ali Jafarey by Adi Davar

David: If you perceive yourself to be deficient in one or other of these qualities which you know you need for success, what do you do? In 1842 established the Parsi Benevolent Fund with the aim of improving, through education, the condition of the impoverished Parsis still living in Surat and its environs.

Even after the rise of Islam and the loss of direct influence, Zoroastrianism remained part of the cultural heritage of the Iranian language-speaking world, in part as festivals and customs but also because Ferdowsi incorporated a number of the figures and stories from the Avesta in his epic *Shāhnāme*, which in turn is pivotal to Iranian identity. Religious Text of the Yazidis Furlani Giuseppe Glimpses Of India Furneaux, J. It should be noted that the term *naso* is applied only to dead, decomposing, putrefying matter emanating from humans, since humans are conscious beings who perform good deeds and fight against evil.

No Jesus was not Zoroaster or Buddha

Apart from the intrinsic absurdity of this view, the slightest exposure to the words of Zarathushtra, with his emphasis on individual judgement and responsibility, enables us to recognize the anti-Zoroastrian character of this view.
