10 Stages of Genocide

Logically, later stages must be preceded by earlier stages.

Genocide legal definition of genocide

DISCRIMINATION: A dominant group uses law, custom, and political power to deny the rights of other groups.

genocide definition

SYMBOLIZATION: We give names or other symbols to the classifications.

genocide definition

However, this distinction is not universally agreed upon in academia or lay usage. When combined with hatred, symbols may be forced upon unwilling members of pariah groups: the yellow star for Jews under Nazi rule, the blue scarf for people from the Eastern Zone in Khmer Rouge Cambodia.

10 Stages of Genocide

They block investigations of the crimes, and continue to govern until driven from power by force, when they flee into exile. In many cases, those who are not subjected to direct violence by the perpetrators of violence are victims of extreme poverty, as their economic prospects are extremely limited by government abuses and bias.

Eight Stages of Genocide: From Classification to Denial

The dataset used for data visualisations in this section is the Political Instability Task Force PITF. He formed the word by combining geno-, from the Greek word for race or tribe, with - cide, from the Latin word for killing.
