**All But Alice (4): Naylor, Phyllis Reynolds: 9781442427563: mikhmon.us.to: Books**

The one thing I really enjoy about Alice is how wholesome of a character she truly is. Alice knows she's made it.

**All But Alice (4): Naylor, Phyllis Reynolds: 9781442427563: mikhmon.us.to: Books**

Alice feels different and one of the Popular and the Beautiful people at her school. I thought the ending of the book was funny because Alice asks herself a lot of questions. A deftly told story that dramatizes how Danes appointed themselves bodyguards—not only for their king, who was in the habit of riding alone in Copenhagen, but for their Jews.

**All But Alice, 4 : Phyllis Reynolds Naylor : 9781442427563**

What more could she want? The plot quickly moves through many issues and rites of passage that interest middle school girls.

**All But Alice (Alice, #4) by Phyllis Reynolds Naylor**

The fact that she's always felt ostracized by the death of her mother when she was a preschooler only compounds Alice's need to fit in. The genre of this book is realistic fiction.

**All But Alice, 4 : Phyllis Reynolds Naylor : 9781442427563**

Yet another good book in the Alice McKinley series. The one thing I really enjoy about Alice is how wholesome of a character she truly is. Can she be Sisters with all three girls who want to be her brother Lester's girlfriend? Weeks of punishing labor later, Stanley digs up a clue, but is canny enough to conceal the information of which hole it came from.
