### Conversations with Children! Questions that Spark Conversations and Deepen Understanding

I cannot emphasize more on making them as fun as possible to get your child really hooked in the conversation.

### Module: Engaging Children in Meaningful Conversation: Resources for Early Learning

Most of the questions in this list about them, such as creativity, imagination, gratitude, confidence, and empathy.

### Hints for Communicating With Adult Children

It also possible that in time she will be happy to talk. Just like adults, children have their own fair share of things they don't like. If your favorite toy could talk, what would it say? Also, remind them to cough or sneeze into a tissue or their elbow, then throw the tissue into the trash.

### LIVE Virtual Training: Engaging Conversations with Children

What is that one thing you would like to know about grown-ups? What is the funniest thing your teacher ever said? Ask them to go out for ice cream or run errands with you, and use the one-on-one time to ask one or two of these questions. Karate, dancing, drawing, playing video games? If you could do one thing everyday, for the rest of your life, what would it be? If last year their favorite day was Friday, that must have changed now since they joined the music class or any other mentorship program in school. Whatever it is, let your child know that you are proud of them.
