Foucault argues that discourse on sexuality in fact proliferated during this period, during which experts began to examine sexuality in a scientific manner, encouraging people to confess their sexual feelings and actions. In 1811, an Imperial decree transformed the Abbey into a reformatory, mainly for common law prisoners and some political prisoners, such as Armand Barbès and Auguste Blanqui. Il a si bien conçu le système défensif de la ville que rien ne parvient à l'ébranler.
