That wide embrace quickly proved useful, for once introduced to center stage, the previously untapped power of the war issue became an extraordinary organizational catalyst. Working as a recruiter for the Claremont Colleges, about twenty-five miles east of Los Angeles, Muñoz attended an education conference in October and brought Noriega along. Significantly, as part of this endeavor and in an echo of a pre-war civil rights strategy, local activists spent much of their time insisting that Mexican Americans were white and therefore not the legitimate targets of discrimination.
