## GWO Sea Survival Refresher E

Excellent staff and ratio of classroom work to practical work was perfect. ASSESSMENT AND CERTIFICATION On completion of the course you will receive the Survival at Sea certificate. Prior to expiry delegates must retake GWO Sea Survival Training to remain certified.

## Survival at Sea practical training

It is a core part of the course and is one of the 2 modules that require training every 5 years.

## Sea Survival : Practical Course Notes by Association Royal Yachting

Understanding the use and purpose of various safety equipment on different vessels was very helpful.

## GWO Sea Survival and Boat Transfer

Trying to stay alive at sea during emergency situations requires a lot of hard work, perseverance and definitely a lot of patience. Kindly note, the e-learning lasts an average of 3 hours.
