If you must miss a class, an examination, a work assignment, or a project in order to observe a religious holy day, I will give you an opportunity to complete the missed work within a reasonable time after the absence. Smith maintains that the settlers who developed the American West were moved to do so by the alluring symbols of the West created by 18th- and 19th-century poets, orators, and novelists. Coinciding with the rising

interest in American letters in the American academy during the 1880s, the next stage in the development of academic appreciation of American literature grew out of attempts by scholars to apply critical methodology to the study of literature.
