British Code of Advertising Practice

Examples include, but are not limited to: financial gifts, event or discount vouchers, objects of substantial monetary value. That said, there are numerous charitable lottery operators which operate under certain regulatory constraints, much to the annoyance of the incumbent monopoly. The uploading of gambling functionality onto electronic end-user devices should always be considered carefully.

Code of practice terms and conditions

This law is reflected within the Code and the ASA has regard to the law when considering misleading, aggressive or unfair marketing communications. Practitioners must be aware clients may still be able to identify themselves even though you may disguise names. By phone: 0330 440 1614.

British Code of Advertising

A variety of gaming machines are available, categorised according to stakes and payouts, subject to strict regulation as to the limits of those stakes and payouts and the number of machines in any one location.

Code of Practice for the Pharmaceutical Industry 2019

If this is not possible we will agree a course of action with you.

Advertising Standards Authority (United Kingdom)
