: Genèse et développement...

Cum praesertim primum Europae omniumque fere Nationum bellum regiones illas pervastavit, itemque per insequentes annos, nihil iidem reliqui fecerunt, quod aliquid posset auxilii ac solaciū Ruthenorū communitati impertire. It is difficult to imagine any other meaning. Nihilo secius a Concilio reversus, etsi Kioviam in sui honoris sedem magno cum gaudio receptus est, subinde tamen Mosquae in carcerem detrusus, fugam abripere atque ex territorio cedere coactus est.

1555

Neque nostra hac aetate minora fuere beneficia, quae Romani Pontifices carissimae huic genti contulere.

[*'Le Monde diplomatique'* en Esperanto]

Alain Besançon, Sainte Russie, De Fallois, Paris, 2014.

Figures du Nord

MDLXXXVI datis, concessit ut qui suffraganei Ruthenorū Episcopi rite nominati essent, eorum electio, quemadmodum in pacta reconciliatione propositum erat, ac secundum priscam Orientalis Ecclesiae disciplinam, a Metropolita confirmaretur. .

Carissimis Russiae populis, die VII m. Iulii, A.D. MCMLII

With your support and the help of our world-leading Volunteer Faculty, we provide training to all types of healthcare workers - from doctors and nurses in regional hospitals to district leaders and teachers in remote areas.
