## MILAGROS DE NUESTRA SEÑORA BY GONZALO DE BERCEO AND LAIS BY MARIE DE FRANCE:SIMILARITIES AND DIFFERENCES,Pamela Bastante

In the Middle Ages it was very popular to interpret the texts of classical culture and to compose a new rendition in Latin. Milagros de Nuestra Señora echoes this situation. A continuación el desarrollo de la acción.

## MILAGROS DE NUESTRA SEÑORA BY GONZALO DE BERCEO AND LAIS BY MARIE DE FRANCE:SIMILARITIES AND DIFFERENCES,Pamela Bastante

Those who could be caught were executed. Medieval Spain was a mixture of cultures and diverse religions and at the time Berceo wrote his Milagros many changes were beginning to be implemented.

▶ Autor de Milagros de Nuestra Señora

In the major cities of the time, such as Toledo - a centre for translation of texts - there are obvious influences of the three cultures in the architecture of the city as well as other works of art. Los judíos, dedicándose frecuentemente a la usura, disponían de importantes sumas realizable en el acto, con lo que podían prestar inmediatamente al rey la cifra fijada, cobrando ellos más tarde los impuestos Saugnieux, 94. Stanza 101 19 The book tells us of another cleric who loved the image of Holy Mary: he always bowed before her painting, and felt very great shame under her gaze Stanza 116.

All of Berceo's Jewish characters are described as having some kind of demonic quality; most of them are working in conjunction with the Devil to steal the soul of the Christian. In these artistic representations he is seen decapitating Islamics with his sword, as they are crushed by his horses. Marie states that she is well educated in the texts of classical Antiquity but she has chosen to study the texts of her región.
