Nevertheless, other cognates imply a relatively shallow time-depth and multiple acts of borrowing. Echoing Durán, there is some pairing with temples, including Christian churches, or in many instances—depictions of Conquest-period Guatemala come to mind—walled precincts that contrast with cleared circular places Figure 3c; Asselbergs 2008:figs.

## Maya Decipherment

The visual construction of Maya glyphs is very interesting. Slaves, some taken in war, demonstrated grace of movement by being forced to dance or sing.
