In the Midwest and the Northeast, the number of African-Americans who are unaffiliated with any particular religion is similar to the share of the general population in these regions that is religiously unaffiliated. Overall, about seven-in-ten Jews surveyed say they feel either very attached 30% or somewhat attached 39% to Israel, essentially unchanged since 2000-2001. The cladonie or caribou moss grows very slowly and it takes several years to form large green fronds that line the shallow soils and acidic region.
