Narendra Modi in the year 2018. The Party pledged to work for the establishment of a socialist society in India, free from class exploitation and social oppression. The Rajiv Gandhi School of Intellectual Property Law has been opened in collaboration with.

## Rural electrification programme with solar energy in remote region

In this largely uncharted path the urgent need is to build mobilised solidarities of the wageworkers, sharecroppers and poor peasants to raise the level of their education, enlarge their skills, provide them with quality public provisions such as healthcare, reduce their economic vulnerabilities, secure their legal rights, procure adequate compensation for them in case of losses and hardships.

## IIT Kharagpur

Under the Integrated Education Scheme for Disabled operated by the Department of Education, handicapped children are sought to be integrated in the normal school system. The vision of SAGY is a integrated village development plan, encompassing Personal, Human, Social, and Economic dimensions. The common people, workers, peasants and the middle class were put to ruthless exploitation in the name of financing the plans for capitalist development.
