The Center for Public Justice

Governments recognize the common benefits to be gained by such cooperative endeavours and allow for their further expansion Viotti and Kauppi, 1993, 241. First update: 17th March 1997. The subtitle states the main argument of the article.

The Neoliberal Theory of Economic Development

Nevertheless, to the extent that the crisis highlighted several issues such as the lack of political finality to the EU, and led to integration that was slower-paced in order to attempt to avoid this type of crisis, the empty chair crisis can be considered as an event that shaped European history and policy.

Some Literature relating to David Mitrany, Functionalism, and European Integration

The Political Dynamics of Economic Integration.

Neo

Faber and Faber, London, 1973. And this is where regions might come into play in world society theory.
