### 18 Annoying Features All Men Hate About Women

Women usually fasten a bathrobe tightly around the waist, whereas men tie it at the hips. Showing your desperation is often times too much for men. Play computer games Ever wanted a bigger brain? He will still find you beautiful even in worst of your times.

### 21 Things Men Do That Women Don't Understand

Some men like tall girls, others like short girls.

### Top 10: Things Only Real Men Can Do

Movie directors, rock bands, famous painters and sculptors, legendary authors — your faves are probably looking pretty sausage-festy. Quit making excuses and try to make your dream become a reality. Most often, men put their arms behind their shoulders, pulling their top away from their spine using their collar.

### Things men secretly do but would never admit

Listening is an under-utilized skill — get good at letting other people share their thoughts and see what you learn. If you really did not have time to take care of your hair, either wear a hat or slick it back with hairspray, giving the illusion that your hair has recently been washed. Whether you think your answer is yes or no, here's the truth: we all behave differently in private than we do behind closed doors.

### 10 things men should do every day (according to science)

In actuality, though, he probably already does — at least sometimes. Men accept women for their individuality and their flaws, it is women who do not accept each other for their differences.
