## The 100 best paintings in London: British Museum

And Old Scotland Yard is near and you can see horses on the second storey windows. Though he first painted London in 1870, it is his portrayals of London in the early 1900s that is especially well-known. Between 1875 and 1886 they produced photographic records of further buildings under threat, which were issued with descriptive text by the painter Alfred Marks.
