Cursed by mortality: exploring the Pre

The two serve as yin and yang just as god and evil go in the same category as these others, both sides go along with one another and bring out the stand-point of what is needed to be shown throughout a society.

Vol. 115, No. 1, Apr., 2004 of Folklore on JSTOR

This seems relatively normal unless you were aware that a dog running wildly was another sign that death was round the corner. Although a lot of these signs seem absurd to us today, it may have been oddly comforting to feel as though you have some insight into something so unpredictable. Old liturgies included prayers and masses for rain.

The Magical Universe: Everyday Ritual and Magic in Pre

Just as God would have intended for people to do with one another throughout any situation that is considered bad. If you're familiar with the subject, the compendium might seem to be retreading familiar ground, but Wilson lays everything out in a nice, thematic manner so even if you're aware of late medieval fertility rites or the Divine Foreskin of Metz you'll find something neat and new. The magical role of priests, the curses of saints, the use of Christian prayers and liturgy in magic, the depth of similarity between miracle and magic, are all demonstrated.

The Magical Universe: Everyday Ritual and Magic in Pre

This constructs a composite picture of the surprising endurance of magical practice up to the modern period, with the implicit su This book is something of a historical catalog of magic and ritual, from the explicitly religious to the folkloric, in Europe prior to the modern era. As a nineteen year old university student, I find myself stressing over an infinite amount of things.
