Compiled from Brown's previous collections Finger Rhymes , 1980; Hand Rhymes , 1985, etc. I also wish this could have included more rhymes, but isn't that always true of a good thing? So help us teachers, folks. After that, I don't really know.

Each rhyme consists of a strategically-planned and well thought-out plot, setting, mood, and overall theme.

A Treasury of Poems for Children

This book is an amazing collection of poems! The verses, make me feel that something is here, in my heart. Other than that, both reviewers hit on the active signals located to the left of each line that allows the audience to become more engaged with the book and to interact with it on another level. .

A Treasury of Nursery Rhymes and Poems
