## Louis XIV

I think that this is true insofar as we spend much more time following these women and the atmosphere of the court that they create Queens seem to never count in these biographies than Louis himself. From the building of the palace to Louis XIV's many relationships, Mitford takes her informed but light-hearted attitude towards the different aspects of the court of the Sun King .

## Our Court's Laughing Face

Taken suddenly ill on June 29th, she drank chicory water which she was convinced had been poisoned. She set up too many obligations for herself.

## A Woman's Life in the Court of the Sun... book by Elizabeth Charlotte von der Pfalz

One of the most memorable portions is the end where she describes a ghoulish sacrilege; the looting and desecration of the tombs during the revolution.
