Address: Berggasse, Wasagasse, 1090 Wien Justice Palace If you love Renaissance architecture and rooftop views The Palace of Justice Justizpalast is a beautiful Neo-Renaissance building in Vienna and serves as the seat of the Supreme Court of Austria. Otto Wagner in Vienna: His Main Works Otto Wagner Vienna.

The Architect's Eye: Architect Otto Wagner's Modernist Marvels in Vienna

Plan Your Trip to Vienna: Pin it! Tour with 5-glass Grand Tasting 20 EUR. The architect Carl von Hasenauer designed the villa and it was constructed between the years 1882 and 1886.

Otto Wagner (July 13, 1841 — April 11, 1918), Austrian architect, teacher

One has to but look at the portrait of Wagner to realize that his enveloping mustache mimicked that of the Emperor himself to realize that the architect worked at the pleasure of the Imperial throne. Sisi abhorred court life and preferred to travel.

Otto Wagner (July 13, 1841 — April 11, 1918), Austrian architect, teacher

In the end, the weir was never put into operation after the municipality decided not to use a weir in this part of the Canal. It is made entirely of square stone plates attached to the structure with iron bolts and aluminum caps.

46 Otto Wagner

You might also find some fine glassware, jewellery and crockery on sale from local artists and designers.

Otto Wagner (July 13, 1841 — April 11, 1918), Austrian architect, teacher

Wagner used new, modern materials and rich color, yet retained the traditional use of ornamentation.
