Arms spending, development and security / edited by Manas Chatterji, Jacques Fontanel, Akira Hattori

Many studies and polls show that.

Arms industry

International trade in , , , and other relatively inexpensive weapons is substantial. It consists of a involved in the , , production, and servicing of material, equipment, and facilities.

World Military Spending — Global Issues

Proposals are growing stronger for an arms trade treaty.

Arms industry

For a while now, critics of large military spending have pointed out that most likely forms of threat to the United States would be through terrorist actions, rather than conventional warfare, and that the spending is still geared towards Cold War-type scenarios and other such conventional confrontations. Andreas Tousoulakis had recently resigned from the Stockpile Stewardship program on nuclear weapons and worked at Los Alamos National Laboratory.
