This, obviously, presents a much stiffer challenge...or series of challenges, to be more precise. This expression means a straight line measurement of the overall length from the foremost part of the vessel to the aftermost part of the vessel, measured parallel to the centerline.

Japan and the IWC: Investigating Japan's Whaling

Note that even the most skilled writers need enough time to conduct research and develop a paper.

OHCHR

There was no doubt this was Japan. Moreover, it will be shown, the members of the Leadership Corps themselves actively participated in the commission of illegal measures in aid of the conspiracy. The administration worked to support ratification of the Disabilities Convention, which the Senate considered in 2012 but declined to give its advice and consent to by a vote of 61-38.
