**Mark Tyndall: The harm reduction model of drug addiction treatment**

Why do we still think that drug use is law enforcement issue? The approach is nonjudgmental and helps people regardless of the extent of their risky behavior.

**Drug Use and Harm Reduction During COVID on Vimeo**

More often drug-related harm is the result of the numerous social, economic, legal, cultural, and political factors that shape the way illicit drugs are made available and the conditions under which they are used. Youth described the predominant influence for substance use as boredom.

**TRIP! Project**

Whether sharing cigarettes, spliffs, cans, powders, tabs, pills or more exotic preparations. Universal school-based prevention for illicit drug use Review. Understanding substance use and addictions When people talk about substance use, they are usually referring to the consumption of substances like alcohol, drugs or other chemicals that can change the way we think and feel.

**Understanding and finding help for substance use and addictions**

Illegal street drugs will always have additional risks because their contents cannot be fully known.

**Teens prefer harm reduction messaging on substance use**

And this right was worth preserving, they argued, so long as no one else got hurt, an argument used to support many of the other civil rights advancements of the time as well. Treatment approaches that involve cognitive behaviour therapy CBT or that focus on motivation are often used with success.

## **Harm Reduction**

. We continue to demonize the drugs and the people who use them and blindly pour even more resources into law enforcement. Comments that contain external links will not be permitted.

### **Harm Reduction & Substance Use Reports**

Youth in The City speak to selecting social events that were likely to involve use that was consistent with their own use patterns and preferences, and discussed limiting their frequency and type of substance use in accordance with their personal beliefs surrounding moderation. Does Harm Reduction Replace Treatment? They defied global conventions and decriminalized all drug possession.

### **Harm Reduction Principles**

Let's be clear: criminalization is just a way to institutionalize stigma. Virtually millions of people are caught up in a hopeless cycle of incarceration, violence and poverty that has been created by our drug laws and not the drugs themselves.
