## Welcome

A: Each authorized COVID-19 vaccine has been studied in large trials of over 30,000 volunteers and shown to be highly effective in preventing COVID-19 disease.

## COVID

Speakers Kathryn Harris and Sue Massie will discuss preservation and awareness efforts planned for the John Taylor House, Lincoln Colored Home and First Black Fire House, all of which contributed to the lives of African Americans in our community. Many things helped this vaccine get developed so rapidly.

## Disclaimer

Until the COVID-19 pandemic is controlled, people who receive the vaccine need to continue following Illinois Department of Public Health guidance, such as the use of face masks, social distancing, regular hand washing, and avoiding crowds and poorly ventilated spaces. Within Illinois, the CDC recognizes the state and the city of Chicago as separate jurisdictions for the distribution of vaccine.

## Disclaimer

After getting a flu shot, I always get the flu.

## COVID

At this time, we are not able to immediately move to Phase 5. Spring is coming, bringing the promise of unimaginable joy. Safety is a top priority.

## Illinois Tourist Attractions

What have the trials revealed? Lori has mentored over 200 early-stage startups and established enterprises.

## **Illinois Tourist Attractions**

Can the COVID-19 vaccine make me sick with COVID-19? UIUC AnyWare is a virtual desktop environment allowing student to access software whether remote, on campus, or in class. If you have questions about getting vaccinated, talking with a health care provider may help you make an informed decision. Early vaccine access is to protect them in order to maintain the essential services they provide U.

## **Disclaimer**

Join our panel at 11:30 AM at the 2021 Agtech Summit to learn more about the intersection of the agriculture sector in carbon markets with professionals ranging in expertise from consulting to leading sustainability initiatives. Harassment, stalking or threats may violate Illinois criminal law.
