## Religious exception for vaccination or religious excuses for avoiding vaccination

Choosing heroes, beliefs, activities and groups that allow some sense of security, direction, personal expression and sense of worth and significance.

## Why Are Religious People (Generally) Less Intelligent?

Who gets to say that? We reserve the right to delete any comment for any reason at any time. Many Christians say you have to believe in Jesus to go to heaven.

## Why Won't They Listen to Reason?

Is it a leap of faith out into darkness with no supporting evidence. How insane is it for you to live 80 years upon this earth for yourself just hoping that the Bible is wrong about Jesus and about heaven and hell? As I study for our small group session this week, on making a case for God's existence, I am wondering at the depth of emotion across the spectrum of belief presented here. If we have learned anything in our introductory epistemology courses it is that arguments for other minds, induction, the external world, that the world wasn't? The general principle then is one ought not to believe in things that are not based on arguments or direct experience.

## The problem with religious people? They always think they're right

The threshold being crossed here is privacy of medical records — and medicine itself

## If there's One God, Why All the Different Religions?

Religious employees may seek a religious accommodation.

## Jennifer Roback Morse, Will Our Country Listen to Religious Freedom Arguments?

Technically, they are experimental until the trials are complete, which I believe will be some time in 2022.
