### A Beginner's Guide to Reading Jung

Similar to the body, when something is out of balance in the psyche, you can see that imbalance expressed in signs and symptoms. Similarly, current employees and students can receive helpful counseling after being diagnosed with their Jung personality types.

Sometimes you might get a dream visit from Jung himself. Together with the prevailing patriarchal culture of Western civilization this has led to the devaluation of feminine qualities altogether, and the predominance of the persona the mask has elevated insincerity to a way of life which goes unquestioned by millions in their everyday life. In particular I want to point out the two chapters written by Marie-Louise von Franz: chapter 3, The Process of Individuation and the Conclusion, Science and the Unconscious.

### How to read The Red Book and why

In this passage Jung was writing about the INTP type, his own type, which is one reason for his style being hard to read. Lastly, the letter 'J' stands for judging, and the letter 'P' stands for perceiving.
