## European Investment Bank (EIB)

Algeria received 100,000 COVID-19 vaccines and started the vaccination campaign in late-January 2021. These include ; prohibition of events with more than 10 people; ; ; and. It also provides guarantees to help beneficiaries to obtain loans more easily or at better conditions from banks and other lenders.

### Types of funding

Enhanced screening measures are in place at all ports of entry but the mandatory 14-day quarantine for all travelers arriving in Barbados has been replaced with a testing program to facilitate the resumption of tourism.

### Access to finance

On September 7, the measures designed to help the economic sectors hit by the coronavirus crisis, including those designed to keep jobs and ensure liquidity and COVID-19 loans, were extended until the end of the year.

### Types of funding

The surge in new virus cases that began in September has prompted a tightening of restrictions in many parts of the country. The amendments grant a one-year exemption from land and property tax to selected sectors, including tourism, passenger road transportation, and cultural facilities. Many of these platforms are available in more than one language, precisely to cater for the fact that in Europe people speak so many different languages and might not be comfortable investing their money if the site is only available in English.

### A big fiscal deal

The next step was the publication of the , with specific proposals for. With new infections starting to decline in early August, the authorities relaxed some of the lockdown restrictions in 7 cities e. The EU has plugged the budgetary hole left by the departure of Britain.

**Can I ask for a loan from another European country, from Spain?**

Following the first COVID-19 case in March 2020, Prime Minister Rhuggenaath declared the state of health emergency and announced travel restrictions, quickly followed by a border closure. Available for companies who commit to not terminate contracts until February 2020, with a maximum of 1.
