Republicans will be on the other side of the table. It struck the elderly especially hard and many states passed legislation to protect their elder citizens.

Opinion: What will COVID

Before the pandemic, as you may recall, Goss was predicting that the Social Security Trust Fund would run out of money in 2035. Social Security effectively returns the money it withheld by increasing your monthly payout when you reach full retirement age. Social Security's financial troubles lead to a lot of finger-pointing As you may already know, this crucial program finds itself in a heap of trouble.

Today's older workers may see the first cuts to Social Security benefits

Social Security Act Amendments Many amendments have been passed to the original Social Security Act. Stop trying to rob us of our money. The...common critique of mandatory retirement savings is that...if younger workers are allowed to shift their payroll taxes into personal accounts,

policy makers would need to find lots of money over several decades trillions of dollars in the American example to fulfill promises made to existing retirees as well as workers that are too old to get much benefit from personal accounts.
