### Rip Van Winkle: Illustrated by

### **The Adventures of Ichabod and Mr. Toad**

He is particularly impressed by the tale of a spectral said to haunt the area. The ghost pursues him and hurls at him a round object that he takes to be a head but is later revealed to have been a pumpkin.

### **Rip Van Winkle: Illustrated by Washington Irving, N. C. Wyeth, Paperback**

Though Toad nearly louses up the plan by almost shooting the guard outside on the bridge, the four manage to sneak in. Disney, abetted by his staff, such perfect narrators as Bing Crosby and Basil Rathbone, and a pair of durable literary works, has fashioned a conclave of cartoon creatures, which, by and large, have the winsome qualities and charm of such noted creations as Mickey Mouse, Dumbo, et al.
