**Translation of the Sanhita of the Sama Veda: Stevenson, J: mikhmon.us.to.au: Books**

We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. The Rigveda Samhita contains 1017 or 1028 suktas or hymns, divided into ten divisions or mandalas. O Soma, who art sprinkled and purified in these vessels, do thou purely distil for us happiness and peace.

According to the well-known scholar Damodar Satavalekar, there is no difference in the texts of the Ranayiniya and Kauthumiya but there are differences in the svara. Ramanathan, a noted musicologist remarked, Sama music was to acquire the rhythmic-time- patterns. There are of four types: hrasva—a short one — duration for short ovals; dhriga — two unit-duration for long vowels; plutam— longer than two—unit duration; and, the fourth is ardha- maatra, half unit, meant for consonants not accompanied by vowels.
