Legislative Session 2017

- It is important to not come out of session farther behind than you go into session.
- Restoration of the vocational and the skill center funding enhancements are critical to delivering programs for generating career ready graduates.
- Properly executed increases in compensation allocations should be an important focus for all in the education community.

Cal Grants

The Board for Community and Junior Colleges serves as the state-level coordinating agency for the system. In addition to the traditional-age student seeking the first years of a baccalaureate degree, collegiate also know as transfer courses enroll 1 career preparation students, such as nursing students seeking knowledge in the basic life sciences; 2 reverse transfer students who begin at a university and later choose to continue at a community college ; and 3 part-time casual students who enroll for personal rather than degree-completion reasons.

Public & Private Community Colleges Community Colleges

Chartered in 1909, it provided collegiate instruction in mechanical, technical, industrial, professional, and semiprofessional fields, and in the literary and musical arts. Yet among those attending California community colleges that do participate in the federal loan program, only about 31,000 of the system's two million students take on federal debt, according to state data. WORK STUDY, COOPERATIVE VOCATIONAL EDUCATION, JOB PLACEMENT, AND APPRENTICE TRAINING A.

Cal Grants

The responsibilities of the Office for Civil Rights to collect and analyze data, to conduct compliance reviews, to investigate complaints and to provide technical assistance are not diminished or attenuated by the requirements of Section II of the Guidelines.

Recommendations for Providing Community Colleges with the Resources They Need

If and when it is revised or modified, the new policy will be announced and will supersede the Guidelines.

Junior college

In applying the gauge of unlawful discrimination to State formulas, OCR may consider expenditures for a single year, or for such other period it

finds relevant to whether unlawful discrimination has occurred. Further, we would accept an eligible agency's use of either database as the criterion to judge whether a different proposed waiver formula from the eligible agency meets the more equitable distribution test under section 131 c below. This includes proprietary vocational schools and technical institutes.

Distribution of Funds to Secondary School Programs in FY 2000 under Perkins III

Likewise, while some conservative governors opposed the expansion of Medicaid funding, most recently under the Affordable Care Act ACA , it is notable that a number of moderate and conservative governors agreed to take federal money, even though doing so required a modest expansion of state investments. AGENCY RESPONSIBILITIES Recipients that administer grants for vocational education must distribute Federal, State, or local vocational education funds so that no student or group of students is unlawfully denied an equal opportunity to benefit from vocational education on the basis of race, color, national origin, sex, or handicap.
