## Artisans trained in the Fatimid school influenced art in Sicily

For reasons that have not always been clear to those of us who are not historians of Islamic visual arts, the Fatimids have commanded unusual notice among students of this subject.

## Arts of the City Victorious: Islamic Art and Architecture in Fatimid North Africa and Egypt by Jonathan M. Bloom

This book is of immense importance to academics, researchers, aspirants of civil services examinations and those with an abiding passion for the subject.

## Arts of the City Victorious: Islamic Art and Architecture in Fatimid North Africa and Egypt.

Ars Orientalis Entire Issue , 1993.

## About: Fatimid art

Arts of the city victorious: Islamic art and architecture in Fatimid North Africa and Egypt User Review - Not Available - Book Verdict The study of Islamic art, particularly that from Egypt, is as changing as the desert sands. Another suggestion proposes that the frame could be inserted to a piece of furniture a chest, a door or a wall panel after noticing the uneven wear of the lower panels, as if they were more rubbed against. Instead, he acted to give a Sunni face to these practices and to redefine the love of the members of the family of the Prophet Mohamed in a way remote from the Shia faith.
