It's also one of the least expensive ways to travel Italy - you can see and do a great deal without breaking the bank while enjoying an unforgettable road trip in Tuscany. Book ahead for the various levels of guided tours and tastings, which include a short film, cellar visits, the art museum and of course, wine tasting.

Or, an easier solution is to go buy the book and delete the Kindle version until the publisher makes this e-book easier to use. Just don't read the book when you're hungry.

**Food Lover's Comp: Tuscany by Carla Capalbo**

A quick flip reveals a Florentine shop specializing in chocolates available September through May only, alas , the Mansi Bernardini estate with its fine Luccan olive oils, and Signora Renata Ginestri, baker of some of Tuscany's best breads. Revising doesn't mean rewriting every entry: it means checking to see how things are after 2 years. Use the Booking Engine at the top of the page to reserve your today! Not only are the reviews of restaurants wonderful and VERY accurate but all the extra places that are recommended - a wonderful beekeeper in San Gimignano, delightful ceramic shops, a place to buy fresh pasta in Lucca for both man and dog! Ambitious, rule-breaking Super-Tuscans, most often based on international grapes such as Cabernet, Merlot and Syrah, carry the humbler IGT Toscana designation.

There is also a lovely and private house on the estate for two-night minimum stays. Buy it if you are an adventurous foodie! This is the first guide to

focus specifically on the famed cuisine of this northern region, showing readers how to take full advantage of all that Tuscany has to offer the discerning palate.
