## Covenant Publishing - Isaiah, A Video Study

The cover page features a small portrait of Jesus at the top right. Below it, the title 'Isaiah - a study' is prominently displayed, followed by 'Covenant Publishing'. At the bottom left, there's a small note: 'Studies in Leiback' and 'covenantpub.com'. The central text area is titled 'I. AN INTRODUCTION'.

**Description:** Before we begin our study of Isaiah, let me repeat that during the course of time between this study and the next, that you will find much more of Isaiah. It must be read at least once, but if you have the opportunity, a second reading of the book will also be helpful.

All the time we may through tract it will be useful to read through the study prior to attempting to answer any questions in it and prior to looking up any of the references. This may be suggested to you through the study again (perhaps in your first study session, but this is something on the part of the teacher). If you have done what I have done, this further study session could be used for doing research into the interpretation of the book of Isaiah. This would be a good time to do some research in preparing for the next study in the series.

Of course you may choose one study rather than any way you wish, on the above suggestion, however, it would be better to use three studies for the greater profit. A further suggestion for maximum profit in the use of these studies would be to use them in group situation in the former suggested above.

**HOW WILL WE STUDY ISAIAH?**

The spirit of God is the Anointing of the Holy Spirit (1 Cor 3:1-2; 2 Pet 1:21) and therefore of the Word of God. We will seek to understand the Book of Isaiah through the Word of God and seeking to understand the Word of God through the true meaning of its Word and therefore of itself.

With greatest dependence upon the Holy Spirit we will seek to understand the Book of Isaiah through the Word of God and seeking to understand the Word of God through the true meaning of its Word and therefore of itself.

With greatest dependence upon the Holy Spirit we will seek to understand the Book of Isaiah through the Word of God and seeking to understand the Word of God through the true meaning of its Word and therefore of itself.

We want to try and come to grips with what the Lord is saying through this book verse by verse, chapter by chapter, section by section. We want to pull the book apart and get everything we can out of it. Our deepest therefore will be to study everything.
