## Historical dictionary of Armenia (Book, 2010) [mikhmon.us.to]

It was the central district, surrounding the mountain of that name. Finally, the alpine tundra, with its scant cushion plants, covers only limited mountain areas and solitary peaks. Northeast Spain , TR5 considers the implications of dictionary work for teacher training.

## Palaeolexicon

Adalian has produced a unique and magnificent volume. The dictionary section has over 200 cross-referenced entries on the revolutions, the First World War, political parties, ideologies and individuals, and the main events that defined the course of the Russian Revolution.

## Educational Resources

It is for the most part high table-land, and is watered by the Aras, the Kur, the Euphrates, and the Tigris. EURALEX Congress proceedings have become an important reference for dictionary research, based on the high.
