**Shōsetsu shinzui**

He next appears alongside his men accosting. He has a scar on his left eye and typically wears a cold, hard expression on his face. Trained only to fight, these rōnin were without an occupation or means of support.

**Shōsetsu shinzui**

With his abilities and knowledge of guerrilla tactics, this qualifies him to be a master assassin.

**Shōsetsu shinzui**

He also has bit of a trimmed hair on the front sides of his head. Personality He seems to be mature enough to admit that he and his fellow soldiers have severely underestimated class 3-E.

**Yui Shōsetsu**

Furthermore, their usage of tranquilliser rounds instead of live ammo impeded his decision of whether to kill the students or not. In His critical essay Shōsetsu shinzui 1885—86; The Essence of the Novel greatly influenced the writing of subsequent fiction not only because of its emphasis on realism as opposed to didacticism but because Shōyō, a member of the samurai class, expressed the conviction that novels, hitherto despised by the....

**Yui Shōsetsu**

Hojo managed to knock one student unconscious and almost took out before vowing to teach the students a lesson they would not forget. By age 27 he was promoted to the rank of San—dan Sensei and eventually became Chief Instructor at the main Shorin-Ryu dojo in Naha.
