## Socialist Federal Republic of Yugoslavia

The Cominform was an association of communist parties that was the primary Soviet tool for controlling the political developments in the Eastern Bloc. Each of the republics had its own branch of the party and a ruling elite, and any tensions were solved on the federal level. Serbo-Croatian itself is made-up of three dialects, , , and , with Shtokavian used as the standard official dialect of the language.

## Breakup of Yugoslavia

There was no fighting, as yet, and both sides appeared to have an unofficial policy of not being the first to open fire. In 1987, Serbian communist official was sent to bring calm to an ethnically-driven protest by Serbs against the Albanian administration of SAP Kosovo.

## Socialist Federal Republic of Yugoslavia

Party pluralism or monism social movements and the political system in Yugoslavia, 1944—1949. Public opinion in Slovenia in 1987 saw better economic opportunity in independence from Yugoslavia than within it.

## Breakup of Yugoslavia

At 77% of the population of Kosovo in the 1980s, ethnic-Albanians were the majority. The Yugoslav presidential crisis reached an impasse when Kosovo's 'defected' his faction in the second vote on martial law in March 1991. Film directors included: , , Duša Počkaj, , , and.

## Socialist Federal Republic of Yugoslavia

Its administration was divided into two areas Zone A and Zone B. In multi-party parliamentary elections, re-branded former communist parties were victorious in Montenegro on 9 and 16 December 1990, and in Serbia on 9 and 23 December 1990. London Review of Books, Vol.

## Breakup of Yugoslavia

The War in Bosnia-Herzegovina: Ethnic Conflict and International Intervention. In August 1990 the replaced its representative with in the wake of

the Log Revolution.
