The Party

Born in Paris in 1930 to Venezuelan parents, by the mid-1950s Marisol Escobar had settled in New York. Added in 1933, it was designed in classical style to match the museum's exterior. To give a contrast to the creative advancement in the American Studio Glass movement, the installation also includes glass objects that are primarily functional rather than creative even if they are decorative and beautiful.

Glass and TMA

Littleton enlisted Martha's aid in arriving at a compromise: Littleton would return to the University of Michigan that fall, to major in. There he was turned over to the laboratory stockman who entertained him or, at least, kept the little boy out of trouble. Heckler and Company in an absentee auction that closed on September 30.

Public Collections — Paul J. Stankard

In 1963 Littleton taught the first glass-blowing class in an American college at the University of Wisconsin—Madison.
