### File Of Life Magnet

The heat kills the cancer cells without harming healthy organs. A nation that embraces the indiscriminate slaughter of its unborn will not survive.

### LIFE Magazine

Vacuum cleaners, blenders and washing machines all have electric motors that work by magnetic principles. You come into contact with magnets many times in the course of your daily life.

### LIFE Magazine

Abortion destroys the very moral fiber of the family structure and has consequences that play out over generations.

### Pro Life Magnets

Those that truly oppose abortion can no

longer be content on the sidelines.

### LIFE Magazine

Mines use magnetic sorting machines to separate useful metallic ores from crushed rock. Magnets in electric generators turn mechanical energy into electricity, while some motors use magnets to convert electricity back into mechanical work. .

#### **JOHN WAYNE FRIDGE MAGNET # 1. LARGE X is SHIPPING**

If everyone opposed to abortion had these on their cars the politicians would fold under the pressure. A doctor injects a magnetically-sensitive fluid into the cancer area and uses a powerful magnet to generate heat in the body. Electric Power and Other Industries Magnets offer many benefits to the industrial world.
