### Financial Benefits for Military Service Members

As a leader of Soldiers, it will not only be a part of your daily functions to take care of your Soldiers and their well-being, but you will also have to ensure you are preparing your Soldiers for that day when they become leaders. If you get told this - walk out of the recruiter office because that is a lie. Savings and Assistance Retirement All service members are covered automatically by the Uniformed Services Blended Retirement System BRS , which automatically sets aside 3% of your basic pay in a Thrift Savings Plan TSP for retirement you can adjust your contribution according to IRS limits.

### Leader Development

When they walk into your office can you say the same? Up to three family members — the service member, the spouse, and a child age 11–18 if available — were surveyed every four months for three years. Individuals joining the enlisted ranks are typically promoted three times during the first four-year enlistment.

### College after the military: How your service has prepared you for success

Once sworn in at basic training, getting discharged once you are on active duty before your active duty commitment is up is no easy task.

### Financial Benefits for Military Service Members

And one last bit of advice? Where do you look for a job and salary? Whether your tour lasted a couple years or a couple decades, you probably harbor some trepidation to reenter the civilian world.

### Getting out of the Military Early

And most military jobs have a civilian counterpart so you'll have a head start if you decide to leave the Military. Study Limitations Although extremely valuable because of its analytical rigor and unprecedented scope, the DLS does have a few limitations.

### Getting out of the Military Early

It will be your job to ensure the Soldiers you are developing into leaders are given the chance to excel at every cost. An exception was observed among teen participants, who reported significantly lower-quality relationships with the deployed parent when the parent came home.

Then, you can work toward paying down your debts while building up your savings. The emphasis and training on effective communication not only sets you up for success in the military, but will make you invaluable in the civilian world where many people struggle with verbal and written communication.

### **Military Benefits**

Compared with retrospective or cross-sectional reports, longitudinal study designs that follow the same families over time offer the most methodologically robust way to assess the impact of deployment on families.
