## Kicking Away the Ladder

A closer look at the history of capitalism, however, reveals a very different story Chang, 2002. The first, on what he calls ITT policies industrial, trade and technology , looks not just at tariffs but at the whole gamut of industrial policy as well. But both these sets of 'good' stem from the idea that we - the NDCs - hav Notwithstanding its release in 2002, I believe the main message of this book to be as relevant today as it was 16 years ago.

**mikhmon.us.to**

Chang's other books seem to repackage this same message in one way or another.

## Kicking Away the Ladder

In my opinion, the only chance for Brazil is investing in the capacity of this kids.

## Kicking Away the Ladder

He takes the title from Friedrich List, whose arguments for infant industry protection against the free trade ideology propagated by a Britain that had by then climbed the ladder to dominance are well known.
