Wayne Grudem Tells Us Why He Changed His Divorce ...

Monogamy should be an option, not mandatory, on any level — let alone the legal and financial. The intent of this devotional book is to encourage and bring hope to a hurting heart and it surely will. So this also the only implication in which the two DAGs differ from each other.

Rethinking the Divorce Rates

I struggle to see how that arc for you, in equality with your spouse, leads you to want the church to head to polygamy.

Why the Pain of Divorce Is So Hard To Get Over

And second, I want to make sure the church is involved, that the pastors or elders are consulted. Other surveys of divorced people have found indicators of ambivalence about divorce.

Are you familiar with Jerry Bassett's teaching on marriage, divorce and remarriage?

Because the union of Christ and His church is an unbreakable union, Marriage-is-like-Christ-and-His-church imagery comes together with marriage-is-indissoluble.

Are you familiar with Jerry Bassett's teaching on marriage, divorce and remarriage?

It can be helpful to minimize changes as much as possible in the months and years following a divorce. And maybe someone can fill me in on the Mormon view of divorce? I guess it comes down to the glass half full argument.

Rethinking marriage?

In fact, many divorcing people aren't sure they want their marriage to end. I can think of no Christian engaged in issues concerning marriage such

as divorce and remarriage or headship who has not sought to work out responses to modern life that lack respect for the integrity of Scripture.

After Marriage Rethinking Marital Relationships PDF Book

Know that you can save your marriage, but it won't be through a magic recipe that will repair all your marriage problems overnight. Any points below the line are states where the observed divorce rate is higher than the predicted divorce rate.
