### Etnograficheskoe obozrenie :: 4 :: From the History of the Sakhalin Ainu

The first consisted of just two people: a young military officer, Nikolai Konstantovich Boshnyak, and his Amur Nivkh guide Pozvein, who travelled to the northwest coast of Sakhalin and along the River Tym in 1852. Linguistic material on both dialects comes in the shape of transcriptions, and transliterations of narratives and conversations. Via the colonial Karafuto Nichi-Nichi newspaper, Shirase appealed to Ainu villagers to provide dogs for the expedition, and Yayomanekuh and Sisratoka, who were senior figures in their respective villages, responded by persuading their fellow villagers to lend their valuable animals to Shirase.

### Sakhalin, Yuzhno

Russia started on the other end, in the north. Transactions of the Asiatic Society of Japan 11: 39—50. V and had also been sentenced with his brother though on minor charges but sent to Siberia.

### Sakhalin, Yuzhno

Jozef had also been a member of Na. Following the in 1920, Japan briefly seized the northern half of Sakhalin, and occupied it until the establishment of formal with the in 1925; however, Japan continued to maintain and concessions in northern Sakhalin until 1944.

### Etnograficheskoe obozrenie :: 4 :: From the History of the Sakhalin Ainu

These dialects appear to be strikingly similar to the Tarayka dialect.

### Wilks Father

It is also a ski slope during the winter. The view from Gorny Vozduk over Yuzhno is fascinating. Future travel-plans to Sakhalin. Sakhalin Island is extremely scenic, the perfect place for out-door people. Journal name Edition Pages 121-135 Abstract Over the course of their long history, the Ainu people retained their cultural identity in the Far Eastern Islands Honshu, Hokkaido, Sakhalin, and the Kuril. On this vessel, the unknown people passed the La Perouse Strait and near the village of Mgach and again suffered a wreck, and only one person, called Kems, was saved.
