William Tubman Former president of Liberia. Woodson's objective and in-depth account of the complex political, military, and economic history of the African continent helped mainstream America move toward a more thorough understanding of its rich history.

## African Heroes and Heroines by Carter G. Woodson

His strategies and tactics are taught in military schools to this day. He is another hero who served his country and fought for it. ....history have it that he was the longest serving president his country had. All around the world, people on the front lines — doctors, nurses, caretakers, first responders, soldiers national guard troops, grocery store workers, truck drivers, taxi drivers taking passengers to medical appointments, food bank volunteers, power plant employees, sanitation workers, farmers, those delivering mail, packages and food — are our heroes and heroines.
