## Unpublished Opinions

As members of the wider community, they have an interest in public health measures that require the collection of personal data. In practice, however, security forces sometimes harassed persons on the basis of their real or perceived sexual orientation or gender identity, including individuals found with condoms and lubricants.

## Learning Difficulties

A user guide to the European Digital Competence Framework No.

## Items where Research Area is >

In the face of industry evolution, the potential benefits of our changing health care system, and the real risks and occurrences of harm, protection of privacy must be built into the routine operations of our health care system. Toward a toolkit approach to describing classroom quality. Choking hazards will need to be included in service hazard lists and the ministry is also looking at increasing the number of adults that must be first-aid trained in a service.

## A Review of Reminiscing in Early Childhood Settings and Links to Sustained Shared Thinking

An examination permit applicant who is under 18 years of age shall obtain the signature of a parent or guardian for submission to the commission on a form prescribed by the chief administrator.

## Unpublished Opinions

**Sexual Harassment:** The law prohibits sexual harassment. For example, if a business associate maintains the medical records or manages the claims system of a covered entity, the covered entity is considered to have protected health information and the covered entity must ensure that individuals who are the subject of the information can have access to it pursuant to § 164.

## Pages

We proposed that once information was maintained or transmitted electronically by a covered entity, the protections would follow the information in whatever form, including paper records, in which it exists while held by a covered entity. Defendants mode of dress or clothing, without more, could not have given Duncan a reasonable belief that defendant had a bomb. Acts of Violence, Discrimination, and Other Abuses Based on Sexual Orientation and Gender Identity In 2009 consensual same-sex conduct was criminalized.
