During that impasse, and for the first time since I had started the climb, the twilight turned into night and the change brought with it the bitterest cold, which felt like a knife piercing my eardrums.

**Unbroken Poetry: The Work of Enrique Martínez Celaya by Anne Trueblood Brodzky, Hardcover**

Those are the feet of my son Sebastián covered by the fringes of a blanket.

Book is in Used-Good condition. Two emails had popped up on my desktop. I have outwalked the furthest city light.

**Martínez Celaya, Enrique 1964**

After all, I had a good record as a physicist and not much to show as an artist, other than naive ideas and a group of unresolved paintings. School of the Art Institute of Chicago. Painting mirrors our struggle to find meaning in life, in the aspiration as well as desolation—and often failure—of trying to create or impose meaning in and through means that seem inadequate.
