### Welcome to Barrington II

### Village

The owners were great people to work with too! All about the view is a perfect family retreat.

### The Village Family Service Center

We did not have kids with us but the house was extremely kid friendly with the crib, baby gates, high chair, and lots of games for the young ones as well as adults. Customer service is our number one priority and we will go the extra mile to make your Outer Banks vacation special.

### Welcome to Barrington II

Nice touch to have extra frig and ice maker downstairs Not to mention every one had their own private bathroom with 2 extra "public.

### The Village Family Service Center

The toys in the house, pool table, game table etc where an added bonus to the entertainment. As Honda Village grew and established more brands, the name changed to Village MotorSports Grand Rapids and moved into a bigger facility across the street.

## Welcome to Barrington II

As the definition of family evolves, so do we. Was the best vacation house I have ever stayed in. We had a couple of questions which were addressed very quickly for us! Enough space on all three levels to feel like you have room to spread out and entertain.
