The World At Arms, Reader's Digest, World War II, History, collectors

This is my go-to reference for World War II. It's full of wonderful maps and incredible illustrations that give you a panoramic overview of the great mid-century hemoclysm.

A World at Arms: A Global History of World War II

Accessories such as CD, codes, toys, may not be included. Content also may include images and film of places that may cause sorrow.

A great book for those who want a book of facts about World War II in their library.

A World at Arms: A Global History of World War II

Spine creases, wear to binding and pages from reading. In practically as new condition.

The World at arms : the Reader's Digest illustrated history of World War II (Book, 1989) [mikhmon.us.to]

This is the story of the war as experienced by soldiers and civilians — ordinary people caught in extraordinary times — whose tales give a powerful insight into the conflict that changed the world.
